Your goal in writing the essay should be to tell us YOUR thoughts, feelings and experiences so that we can get to know you better.

DIRECTIONS:

- Choose one of the four following essay topics.
- Please use the questions that are a part of each topic as “prompts” to get you started writing about the topic. You do not have to answer every question posed within each topic but you should strive to write a coherent essay that touches on some of the questions raised.
- Your essay should be typed and proofread, with a 250-500 word count.

ESSAY OPTIONS

OPTION 1: LIFE CHALLENGES

- What challenge or challenges in your life have affected you inside/and or outside of school? Please address how you have overcome or are working to overcome these challenges. Consider a situation in your personal, family, or community life that has challenged you physically, mentally or emotionally.

OPTION 2: LIFE PASSIONS

- Who are two men of color who have influenced your life, your passions, your goals and how you see yourself in the world?
 - Of these two men, identify one as your hero (*a person is not in your immediate circle but you admire from a distance*) and discuss what you admire about him and how his character, successes, and even shortcomings has influenced your life, your purpose and how you see yourself contributing to lives of people of African descent.
